Wentworth Primary School Image Use Policy

Official use of Images/Videos of Children by the School

Scope and aims of the policy

- This policy seeks to ensure that images and videos taken within and by *Wentworth Primary School* are taken and held legally and the required thought is given to safeguarding all members of the community.
- This policy applies to all staff including the governing body, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for or provide services on behalf of the school (collectively referred to as 'staff' in this policy) as well as children and parents/carers.
- This policy must be read in conjunction with other relevant school policies including (but not limited to) safeguarding and child protection, anti-bullying, behaviour, data security, image use, Acceptable Use Policies, confidentiality, screening, searching and confiscation and relevant curriculum policies including computing, Personal Social and Health Education (PSHE), Citizenship and Sex and Relationships Education (SRE).
- This policy applies to all images (including still and video content) taken by the school.
- All images taken by the school will be used in a manner respectful of the eight Data Protection Principles (Data Protection Act 1998). This means that images will be:
 - fairly and lawfully processed
 - processed for limited, specifically stated purposes only
 - used in a way that is adequate, relevant and not excessive
 - accurate and up to date
 - kept on file for no longer than is necessary
 - processed in line with an individual's legal rights
 - kept securely
 - adequately protected if transferred to other countries
- The Data Controller/DSL and Management team is responsible for ensuring the acceptable, safe use and storage of all camera technology and images within the school. This includes the management, implementation, monitoring and review of the school's Image Use Policy.

Parental Consent

- Written permission from parents or carers will always be obtained before images/videos of children are taken, used or published by the school.
- Written parental consent will always be sought to take and use photographs offsite for professional, marketing and training purposes. This may be in addition to parental permission sought for onsite images.
- Written consent from parents will be kept by the school where children's images are used for publicity purposes (such as brochures or publications), until the image is no longer in use.

- Parental permission will be sought on an admission to the school. It is the responsibility of parents/carers to inform the school of any changes in consent. The parental consent form will form part of the admission form new starters.
- A record of all consent details will be kept securely on file. Should permission be withdrawn by parents/carers at any time, then all relevant images will be removed and disposed of and the record will be updated accordingly.

Safety of Images and Videos

- All images taken and processed by or on behalf of the school will take place using school provided equipment and devices.
- Staff will receive information regarding the safe and appropriate use of images as part of their safeguarding training and responsibilities.
- All members of staff (including volunteers) will ensure that all images are available for scrutiny and will be able to justify any images in their possession.
- Images will not be kept for longer than is to be considered necessary. The DSL will ensure that all photographs are permanently wiped from memory cards, computer hard and portable drives or other relevant devices once the images will no longer be of use.
- All images will remain on site at all times, unless prior explicit consent has been given by the DSL and the parent or carer of any child or young person captured in any photograph.
 - Should permission be given to take any images off site then all relevant details will to be recorded, for example who, what, when and why and data will be kept securely (e.g. with appropriate encryption).
- Any memory stick, CD or storage device containing images of children to be taken offsite for further work will be suitably encrypted.
- The DSL reserves the right to view any images taken and/or to withdraw or modify a member of staffs' authorisation to take or make images at any time.
- Only official school owned equipment (e.g. work provided digital or video cameras) will be used by staff to capture images of children for official purposes. Use of personal cameras by staff is prohibited at all times.
- Any apps, websites or third party companies used to share, host or access children's images will be risk assessed prior to use.
- The school will ensure that images always are held in accordance with the Data Protection Act 1998 and suitable child protection requirements (if necessary) are in place.
- Photographs will be disposed of should they no longer be required. They will be returned to the parent or carer, deleted and wiped or shredded as appropriate. Copies will not to be taken of any images without relevant authority and consent from the DSL and the parent/carer.

Publication and sharing of images and videos

- Images or videos that include children will be selected carefully for use e.g. only using images of children who are suitably dressed.
- Images or videos that include children will not provide material which could be reused.

- Children's' full names will not be used on the website or other publication (e.g. newsletters, social media channels) in association with photographs or videos.
- The school will not include any personal addresses, emails, telephone numbers, fax numbers on video, on the website, in a prospectus or in other printed publications.

Usage of apps/systems to share images with parents

- In Foundation Stage, staff use the system "Tapestry", for the purpose of recording images for in school use only. Images uploaded to Tapestry will only be taken on school devices.
- All users of Tapestry are advised on safety measures to protect all members of the community e.g. using strong passwords, logging out of systems after use etc.
- The school uses 'Seesaw' to upload images of children. These are only visible to staff, pupils and parents at Parent's evening. Images uploaded are from school devices only.
- Parents/carers will be informed of the school's expectations regarding safe and appropriate use (e.g. not sharing passwords or copying and sharing images) prior to being given access. Failure to comply with this may result in access being removed.

Safe Practice when taking images and videos

- Careful consideration is given before involving very young or vulnerable children when taking photos or recordings, who may be unable to question why or how activities are taking place.
- The school will discuss the use of images with children and young people in an age appropriate way.
- A child or young person's right not to be photographed is to be respected. Images will not be taken of any child or young person against their wishes.
- Photography is not permitted in sensitive areas such as changing room, toilets, swimming areas etc

Use of Closed-Circuit Television (CCTV)

- All areas which are covered by CCTV will be well signposted, and notifications are displayed so that individuals are advised before entering such vicinity.
- Recordings will be retained for a limited time period only and for no longer than their intended purpose. This will generally be a maximum of 30 days. All recordings are to be erased before disposal.
- Regular auditing of any stored images will be undertaken by the Data Controller and/or DSL or other member of staff as designated by the management team.
- If cameras record activities taking place on the premises which are of a criminal nature or give any cause for concern, then information will be referred to the appropriate agency.
- CCTV cameras will be appropriately placed within the school.

Use of Webcams

- Parental consent will be obtained before webcams will be used within the school environment for curriculum or educational purposes.

- All areas which are covered by webcams for security or safeguarding purposes will be well signposted, and notifications are displayed so that individuals are advised before entering such vicinity.
- Recordings will be retained for a limited time period only and for no longer than their intended purpose. This will generally be a maximum of 30 days. All recordings are to be erased before disposal.

Use of Images/Videos of Children by Others

Use of Photos/Videos by Parents/Carers

- Parents/carers are permitted to take photographs or video footage of events for private use only.
- Parents/carers who are using photographic equipment must be mindful of others (including health and safety concerns) when making and taking images.
- The opportunity for parents/carers to take photographs and make videos can be reserved by the school on health and safety grounds.
- Parents/carers are only permitted to take or make recording within designated areas of the school. Photography is not permitted in sensitive areas such as changing room, toilets, swimming areas etc.
- The right to withdraw consent will be maintained and any photography or filming on site will be open to scrutiny at any time.
- Parents may contact the school to discuss any concerns regarding the use of images.
- Photos and videos taken by the school and shared with parents should not be shared elsewhere (e.g. posted on social media site), to do so may breach intellectual property rights, data protection legislation and importantly may place members of the community at risk of harm.

Use of Photos/Videos by Children

- The school will discuss and agree age appropriate acceptable use rules with children regarding the appropriate use of cameras, such as places children cannot take the camera (e.g. unsupervised areas, toilets etc.).
- The use of personal devices e.g. mobile phones, tablets, children's own digital cameras, is covered within the school's mobile phone and/or online safety policy.
- All staff will be made aware of the acceptable use rules regarding children's use of cameras and will ensure that children are appropriately supervised when taking images for official or curriculum use.
- Members of staff will role model positive behaviour to the children by encouraging them to ask permission before they take any photos.
- Photos taken by children for official use will only be taken with parental consent and will be processed in accordance with the Data Protection Act 1998.
- Parents/carers will be made aware that children will be taking photos/videos of other children and will be informed how these images will be managed by the school e.g. will be for internal use by the school only (not shared online or via any website or social media tool).

- Photos taken by children for official use will be carefully controlled by the school and will be checked carefully before sharing online or via digital screens.
- Still and video cameras provided for use by children and the images themselves will not be removed from the school.

Use of Images of Children by the Media

- Where a press photographer is to be invited to celebrate an event, every effort will be made to ensure that the newspaper's (or other relevant media) requirements can be met.
- A written agreement will be sought between parents and carers and the press which will request that a pre-agreed and accepted amount of personal information (e.g. first names only) will be published along with images and videos.
- The identity of any press representative will be verified and access will only be permitted where the event is planned, and where press are to be specifically invited to attend. No authorisation will be given to unscheduled visits by the press under any circumstances.
- Every effort will be made to ensure the press abide by any specific guidelines should they be requested. No responsibility or liability however can be claimed for situations beyond reasonable control, and where the school is to be considered to have acted in good faith.

Use of Professional Photographers

- Professional photographers who are engaged to record any events will be prepared to work according to the terms of the school's e-Safety policy.
- Photographers will sign an agreement which ensures compliance with the Data Protection Act and that images will only be used for a specific purpose, subject to parental consent.
- Photographers will not have unsupervised access to children and young people
